

# Making a Call May Save a Life

**CHIERS**, a medically staffed van operated by local nonprofit **Central City Concern (CCC)**, responds to people who are intoxicated or incapacitated by drugs/alcohol. We rely on people and businesses like you to be alerted to those in need of help.

Upon receiving your call, CHIERS EMT staff will evaluate the individual and transport him/her to CCC's Sobering Station where they can get sober in a safe, medically-supervised environment. Individuals are released in approximately 4 to 8 hours.

If you see an intoxicated individual who appears to be passed out or acting in a manner dangerous to themselves or others around them:

**Call CHIERS at  
503-238-8132**

1:45 pm to 11:45 pm | Seven days a week

For service outside these times, please call the Portland Police Bureau's non-emergency line at 503-823-3333.

If you believe someone is having a medical emergency, call 911.
