

# Blackburn Center is Not Accepting New Residents at This Time

---

All housing units are currently filled. If you do not need immediate housing AND are willing to engage in addiction treatment, you have 3 options for accessing housing at Blackburn Center when units become available:

## **Hooper Detoxification Stabilization Center** **1535 N Williams | 503-238-2067**

- For help with medical management of withdrawal symptoms, walk in or make an appointment at Hooper Detox. Walk-ins are encouraged to arrive by 7:30 am, Monday through Friday, for morning triage.
- After you have completed detox at Hooper, request a referral to the Blackburn Recovery Housing Program to access Blackburn housing when beds become available.
- Note: Hooper has the largest number of available units.

## **Blackburn Center Addiction Treatment** **12121 E Burnside | 971-361-7700**

- Individuals engaged in addiction treatment AND addiction counseling at Blackburn Center are eligible for Blackburn housing when units become available.
- To start addiction treatment, walk in or call to make an intake appointment. Walk-ins are encouraged to arrive by 8 am, Monday through Friday, for the 1-2 hour intake process.

## **Blackburn Center Addiction Treatment & Primary Care** **12121 E Burnside | 971-361-7700**

- Individuals engaged in addiction treatment AND addiction counseling AND primary care at Blackburn Center are eligible for Blackburn housing when units become available.
- To start primary care and addiction treatment, walk in or make an intake appointment.
