

Employment Access Center

The Employment Access Center (EAC) can help you quickly meet your staffing needs with quality, motivated and skilled workers. Since 1992, our staff has matched thousands of valued employees to companies across many sectors such as construction, manufacturing, transportation, sales and the leisure/hospitality fields, as well as the growing healthcare industry.

No-Cost to Employers

Employers never pay a fee when accessing the comprehensive services of the Employment Access Center, a program of the non-profit organization Central City Concern.

Our Employment Specialists:

Recruit & Pre-Screen

Attract reliable, qualified and motivated candidates for your specific needs.

We pre-screen applicants to ensure that they meet your minimum qualifications, possess any required certifications and are a strong match for your organizational culture.

Introduce

Bring you top qualified individuals for consideration.

We ensure that candidates complete your company's application process properly and are prepared for an informative and effective interview. We can also assist you with follow-up needs.

Support

Assist you every step of the hiring process and beyond.

We want our candidates to be successful and your company to enjoy a lasting, productive employment relationship. Employment Specialists can work with you and your new hire to monitor performance, ensure success, boost retention rates and guide career advancement. Our staff members are a phone call away to help you keep productivity high and turnover low.
