

# Frequently Asked Questions

## ABOUT BLACKBURN CENTER

### What is Blackburn Center?

- Central City Concern's (CCC's) Blackburn Center is a six-story structure located at 25 NE 122nd Ave. (at East Burnside).

### What will be inside Blackburn Center?

- A health care facility
- A pharmacy
- Commercial space
- Respite care transitional housing (51 units)
- Palliative care housing (10 units)
- Affordable single room occupancy (80 units)
- Permanent housing studio apartments (34 units)

### When will it open?

- It's scheduled to open in summer of 2019.
- Housing units are likely to open in May of 2019.
- The clinic will open in July of 2019.

### Can I get housing there?

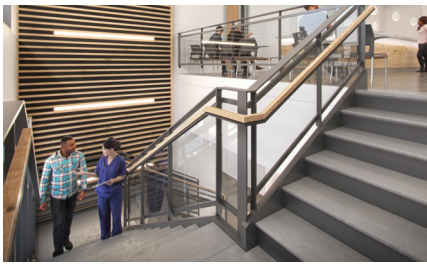

- As the building nears completion, we'll finalize the housing plans. Usually the wait list for CCC housing opens about six months before the building opens. Look for an announcement on the CCC website around January of 2019.
- Please note: There are some restrictions on who can get housing, such as income levels.

### Can anyone use the clinic? What will the hours be?

- The clinic will accept adult patients (18 years old or older) with or without insurance. Benefits specialists will be available to help people sign up for the Oregon Health Plan.
- The hours haven't yet been set.

### What will the clinic at Blackburn Center offer?

- Integrated primary care, substance use disorder treatment and mental health services.
- Patients will also have access to wellness services, such as acupuncture and wellness groups.
- A pharmacy
- Employment services
- Translation services will be available for non-English speakers.

# Frequently Asked Questions (continued)

## ABOUT THE BLACKBURN CENTER

**How can I get to the building?  
Will parking be available?**

- A parking lot will be on the south side of E Burnside (directly across the street from Blackburn Center). We'll know more about parking when the building nears completion.
- However, the building is very easy to access by public transportation! You can use the MAX Blue line (122nd Ave/ Burnside stop) or a #20 Trimet bus.

**How can I learn about jobs  
available at Blackburn Center?  
When will hiring begin?**

- Job postings for all CCC locations are listed on our website: [www.centralcityconcern.org/jobs](http://www.centralcityconcern.org/jobs).
- Hiring for Blackburn Center location will begin in March of 2019 and will continue through June of 2019.
- CCC employs people from diverse backgrounds to provide integrated services. We value lived experience as well as formal education.

**I need help getting a job in  
general. Will that sort of  
service be available at the  
building?**

- CCC's Employment Access Center will have employment specialists working in Blackburn Center. They'll be available to help clients find employment.

**Who's building  
Blackburn Center?**

- Central City Concern is the building developer and owner. The general contractor is Walsh Construction and the architect is Ankrom Moisan.
- The project cost is \$52 million.

**How can I stay updated on  
this building's progress?**

- You can follow the building's progress, as well as sign up for Blackburn Center update emails, on CCC's website: [www.centralcityconcern.org/blackburn](http://www.centralcityconcern.org/blackburn).

**I have a question that hasn't  
been answered.**

- Please submit your question to [blackburn@cccconcern.org](mailto:blackburn@cccconcern.org) or call 971-361-7700.
